**How to upload work on j2e using the camera function:**

1. If you wish to take a photo of your work and send it to your teacher, you first need to log on to j2e.

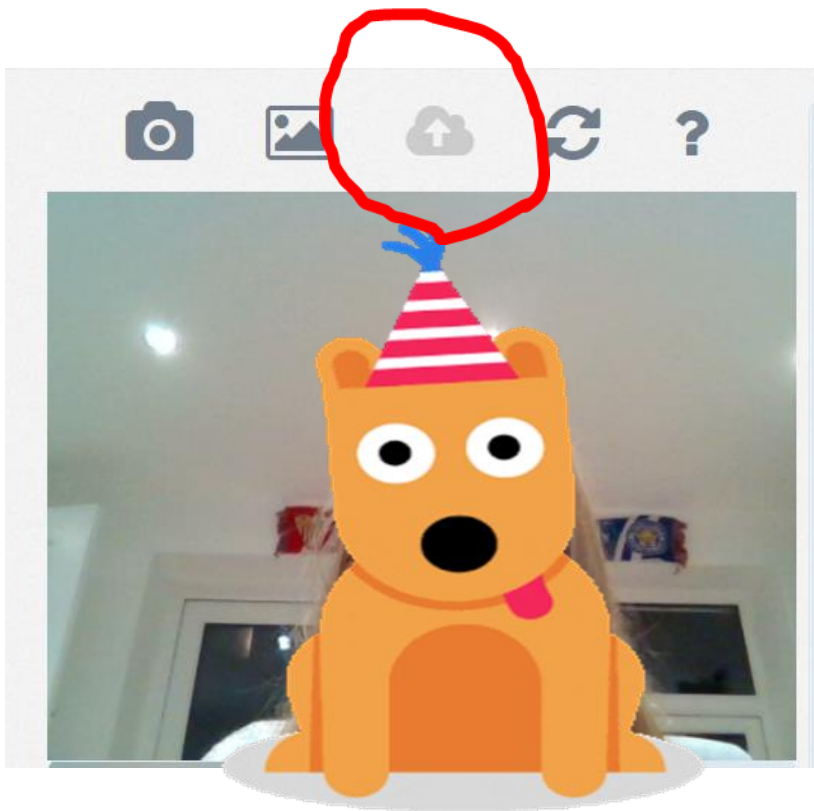

2. In the launch pad, select camera.

3. Select the camera function:

4. The camera will take a picture and you can then select the upload function:

5. Once the photo has been uploaded, you will get a mini version of it in the bottom left of the picture, which you can then right click and share with your teacher (share/users/sect teacher's name):
