Headteachers Message

I would like to say a huge thank you for your generous donations for the harvest festival this week. In such difficult times, I was overwhelmed by the response and it just reinforces what a wonderful community we have. I have sorted all of the items that were brought in and we now have a well stocked larder of tinned, dried and long-life goods, including toiletries, that we can share with families in need across the year. If you require this support, please contact the pastoral team and they will be happy to help.

You will see from the newsletter today that there is a lot in store over the weeks to come, not least the parent/teacher meetings next week. We are all looking forward to inviting you into school and if you haven't booked an appointment yet, you can still do so using the online system. Please contact the office if you are having any difficulties with this.

Preparations are under way for our annual bonfire night, which is my absolute favourite event of the academic year. Those of you who have attended in previous years will attest to the quality of the display and this year we want as many of you to bring your friends and families along to share in the experience. More details to follow shortly, but put the date in your diary and snap up your tickets when you can!

Finally, a personal well done from me to our victorious girls football team, who last night won their inter-school tournament and go to the Poole finals now as champions! Our boys team came second so have also qualified for those finals, footballing success all round! There are pictures and more details over the page. Thanks to Mr Bartram for his ongoing efforts and support and to Miss Bentley our PE lead. Have a lovely weekend.

Mrs Curtis — Update

I have spoken with Mrs Curtis this week. She is doing well and relieved not to be living with the pain she has endured for so long.

She is working through the early stages of rehab but is really missing everyone and sends her love.

Parents Evening

Parents evening appointments begin next Monday and throughout the week. If you have not booked already, you can via your MCAS account.

If you cannot make any of the time slots available, please contact your child's teacher.

Flu Vaccinations

Flu vaccinations will be held in school on 15th and 16th November. A letter from the NHS been emailed to parents today with a link on how to register or opt out if you do not want it.

If you have any queries you need to contact the NHS directly, not the school.

Mufti Day Money

Thankyou for all your donations on our recent Mufti Day. We raised £387.74 which will go towards the library.

Our next Mufti day is on Friday 21st October which will be for donations for bonfire night. Donations may include bottles for both adult and child tombola and prizes for a raffle.
