

Dear Year 1,

Whilst you are having to self-isolate and continue your learning from home, we have come up with a range of learning activities to keep you busy. Each day there are five lessons to complete and you should aim to read on your own for 15 minutes and five minutes reading to an adult or older sibling.

Below are your lessons for each day. If any specific resources are needed for a lesson these will be available on the 'Blended Learning' section of our website. You do not need to print any of the resources, but you can if you want to.

If you have any questions or would like to send us copies of your work, then please do so via our email address:

[Year1YearGroup@talbot.poole.sch.uk](mailto:Year1YearGroup@talbot.poole.sch.uk)

If you are unable to access any online resources, please contact the school and we will see what we can do to help.
