Year 1 – Beach Trip

Dear Parents and Carers,

As part of our current geography topic 'Under the Sea', we have been learning about the impact humans are having on the oceans of the world. We have also been learning about the physical and human features located on and near the beach. To complement this learning, we would like to take the children to the beach so they can explore the environment right on our doorstep.

We are planning to take each class to Branksome Beach using the school minibuses. We have decided to plan the trip for the end of June in the hope that the weather will be more pleasant than it is at the moment. The Year 1 classes will each go separately on the following dates:

1ST – Monday 26th June

1MP – Tuesday 27th June

1CB – Wednesday 28th June

We would be grateful for a contribution of **£2.00 per child** to cover the costs of using the minibuses. All payments must be made via MCAS at your earliest convenience.

On the day of your child's trip, please bring them to school in their normal school uniform. They may, however, bring a small bag, to include:

- *A pair of secure sandals to change into at the beach (please no flip flops)*
- *A sunhat*
- *A pair of sunglasses*
- *Suncream*

If the weather is not looking favourable, we will postpone the trip and let you know of an alternative date as soon as possible.

We really believe in enabling children to have exciting, positive learning experiences and we appreciate your support, as always, with ensuring they can go ahead.

Kind regards,

The Year 1 Team
