Year 5 Overnight Trip to Winchester Science Museum

Dear Parents / Carers,

We are delighted to be able to offer our overnight trip to Winchester Science Museum – ‘A Night at the Museum’. Just so that you’re aware, we need a minimum of 60 children to make this trip viable.

The children will be taken by coach / minibus to Winchester and dropped off at the museum. They will get to explore two floors of fun, hands-on interactives: huge explosive demos, experiments and indoor nature exploration activities. They will then have a drink and cookie before bedding down amongst the exhibits.

Breakfast will be cereal and juice in the morning before further access to the exhibits and a film in the Planetarium.

The dates for the trip are Thursday 27th November to Friday 28th November 2025. We will be leaving school at **5:00pm** on the Thursday, so please make sure you return to school in good time. **The children must have had their dinner before returning to school.**

The children will then be picked up by coach and return to school Friday morning at around 10:30am where they will continue with their normal school day. Mrs Curtis has said that as the children may be a little more tired than usual, they can be collected by parents / carers at the earlier time of 1.30pm on the 28th. If you are unable to collect your child at this time, please contact the school office to let us know.

The cost of the trip is £55.00 per child and includes all the above plus travel to and from the venue. All payments are to be paid on-line via **MCAS** and must be paid in full at the latest, 2 weeks prior to the trip date.

Yours sincerely,

Mrs H Coulling
Head of Year 5
