February 2026

Dear Parents and Carers,

The reception children will begin a new topic during the Spring 2 half term called 'Fantastic Fantasies'. For some of the half term the children will be exploring mystical creatures. To support this topic, we will be hosting an assembly from 'Creature Teachers'. The assembly will feature various animals and creatures that the children may not have been in contact with before. There will be an opportunity for the children to have an up-close view of the animals and to learn about their adaptations and habitats.

To cover the cost of the assembly we are asking for a contribution of £5.00. This should be paid via your MCAS account. When you pay online through MCAS, you are also giving consent for your child to attend this event.

If you have any questions, please contact the school office.

Thank you in advance for your continued support.

Yours sincerely,

Miss Woodford
EYFS Lead

The Creature Teachers will be visiting school on Wednesday 4th March 2026.

They will be bringing along creepy crawlies, scaly reptiles, furry animals, and birds for the children to get hands on with, and up close to. If your child has an animal related allergy, or serious animal phobia, please let their teacher or school office know, so we can take steps to prevent your child coming into contact with any animal of concern.

Please visit www.thecreatureteachers.co.uk to see the creature team!
