| Anne Bonny<br>1697—1782                             | Anne Bonny was an Irish pirate operating in the Caribbean, and<br>one of the most famous female pirates of all time. She became the<br>pirate wife of Calico Jack, and sailed alongside him.                                                                                                                                                                                        |  |
| Bartholomew<br>Roberts<br>(Black Bart)<br>1682—1722 | <b>Bartholomew Roberts</b> was a Welsh pir te who re 'ed's ips off<br>the Americas and West Africal veel 1719 and 1 22. First one<br>most successful pirate (the Gold, Ag of Piracy's measured by<br>vessels captured, tking ver 400 g zes h. career.                                                                                                                               |  |
| John Rackham<br>(Calico Jack)<br>168 – 1720         | the Baham and in ba during the early 18th century. His<br>nickname w. derived from the calico (rough cotton) clothing that<br>he wore, while Jack is a nickname for "John".                                                                                                                                                                                                         |  |
| Edward Teac.<br>(Blackbeard)<br>1680—1716           | <b>Eaward Teach</b> better known as <b>Blackbeard</b> , was an<br>English pirate who operated around the West Indies and the<br>eastern coast of Britain's North American colonies. He became a<br>famous pirate, he got his nickname due to his thick black beard<br>and fearsome appearance; he apparently tied lit fuses, which<br>burned under his hat to frighten his enemies. |  |
| Harry Paye<br>1360? - 1419                          | Harry Paye was a privateer and smuggler from Poole, Dorset in the late 14th and early 15th century, who became a commander in the Cinque Ports fleet. He intercepted hundreds of French ships for gold wine, exotic fruits and brought it back to the people of Poole.                                                                                                              |  |
| Mary Read<br>1685—1721                              | Mary Read ,also known as Mark Read, was an English pirate. In 1720 she met Jack Rackham and joined his crew, dressing as a man. Her time as a pirate was successful but short, as she, Bonny and Rackham were arrested in November 1720.                                                                                                                                            |  |
| Sir Francis<br>Drake<br>1540—1596                   | Sir Francis Drake was an English sea captain, privateer, slave trader, pirate, naval officer and explorer during the reign of Queen                                                                                                                                                                                                                                                 |  |
