

Rainbow fish lives underwater. Water is fun to play in but we need to keep safe. With the help of a grown up, make a list of ways to stay safe near the water.

Design another rainbow animal (or animals). What does it look like? What colours will you use?

Rainbow fish was a good friend in the end. Make a list of what makes a good friend. Could you turn it into a Friendship Recipe? (see example)

In water some items float and some sink. Find a range of objects in your home. With the help of a grown up, predict and test if the items will float or sink. To extend- can you make something that floats.

Rainbow Fish gave away his most prized possession. What is your prized possession. Draw and write about it.
