

25th January 2023

Dear Parent/Carer/Student,

Dr Bike's free bike safety check!

As part of the Sustrans 'Bike It Plus' project at Talbot Primary School, on Monday 30th January I will be running a Dr Bike session where bikes will receive a free safety check. This is available to all pupils, parents, carers and school staff who cycle (Or wheel if it's not in rideable condition!) to school on the day. Please make sure that your bike is left unlocked if you would like us to carry out the safety check.

I will perform the safety check and may be able to do minor repairs so that your bike will run more smoothly. Please note that where the bike or parts are in bad condition or of poor quality, I am unlikely to attempt repairs as this could lead to further damage and instead I will advise of the best action to take.

Don't miss out on this great opportunity to get your bike checked.

Kind regards,

Hugh Thomas
Sustrans Bike It officer for Bournemouth, Christchurch and Poole
