

Dear Year 1,

Whilst the school is closed, we have come up with a range of learning activities to keep you busy. Your class teacher will be checking in with you via Zoom 3 times a day at 09:20 am, 11:55 am and 2:15 pm. Each class will be taking a register, as we normally do in school, to log those children who are in attendance.

Each day there are five lessons to complete and you should aim to read on your own for 15 minutes and five minutes reading to an adult or older sibling.

Below are your lessons for each day. If any specific resources are needed for a lesson these will be available on the 'Blended Learning' section of our website. You do not need to print any of the resources, but you can if you want to. Last term, we sent home a red book and some resources to every child in Year 1. This book should be used to record all the work you complete whilst at home.

If you have any questions or would like to send us copies of your work, then please do so via our email address:

Year1YearGroup@talbot.poole.sch.uk

If you are unable to access any online resources, please contact the school and we will see what we can do to help.
